CITY OF SIERRA MADRE

STAFF REPORT

HUMAN RESOURCES

DATE: November 18, 2025

TO: Honorable Mayor and City Council

FROM: Miguel Hernandez, Assistant City Manager
Aleks Giragosian, City Attorney

SUBJECT: **First Amendment to the Professional Services Agreement with Hue C. Quach**

RECOMMENDATION

It is recommended that the City Council approve, and authorize and direct the City Manager to execute the First Amendment to the Professional Services Agreement with Hue C. Quach to provide Finance Department project management and oversight support services.

SUMMARY

At the September 23, 2025, City Council Meeting, the City Council approved a Professional Services Agreement with Hue C. Quach (Consultant) to assist the City with the development of financial policies, procedures, and internal controls. In October 2025, the City's Finance Director announced his resignation, creating a critical vacancy on the City's Executive Team and a leadership void in the Finance Department.

Per the Sierra Madre Municipal Code, the City Manager has assumed the Acting Finance Director role; however, given the unique and essential nature of the finance function, the Consultant has agreed to amend his scope of work to provide additional services. These services will include assisting the City Manager and Finance Department with financial oversight and operational support, as well as providing staff guidance, mentorship, and continuity during the leadership transition.

The amended scope ensures that the City maintains fiscal stability, compliance with all applicable regulations, and timely completion of key financial responsibilities such as mid-year budget development, audit preparation, and financial reporting. The Consultant's continued involvement will provide consistency, technical expertise, and support to both staff and the City Manager while the City evaluates long-term options for the Finance Director position.

No changes to the overall contract budget are proposed at this time; the amendment reflects an expansion of duties within the existing not-to-exceed amount. Staff will continue to monitor workload and financial impacts and return to the City Council with any necessary adjustments.

DISCUSSION & ANALYSIS

At the September 23, 2025 City Council meeting, the Council approved a Professional Services Agreement with Hue C. Quach ("Consultant") to develop financial policies, procedures, and internal controls.

In October 2025, the Finance Director announced his resignation, creating a critical vacancy on the Executive Team and a leadership gap within the Finance Department. Pursuant to the Sierra Madre Municipal Code, the City Manager has assumed the Acting Finance Director role; however, the day-to-day finance function requires specialized oversight to maintain operational continuity, meet regulatory deadlines, and support staff during the transition.

To address this need, the Consultant has agreed to amend his scope, within the existing not-to-exceed amount, to provide interim financial oversight in partnership with the City Manager, operational support for core functions (cash management, budget monitoring, purchasing/payables review, and general ledger integrity), staff guidance and mentorship, and continuity for key deliverables such as mid-year budget development, audit preparation, and recurring financial reporting.

This approach preserves continuity of operations, strengthens internal controls, and ensures timely compliance while the City evaluates long-term options for the Finance Director position. The amendment does not increase the contract budget; staff will prioritize critical-path tasks, monitor hours and fiscal impacts, and return to the City Council with any recommended adjustments should workload or circumstances change.

STRATEGIC PLAN RELATIONSHIP

None.

ENVIRONMENTAL ANALYSIS

The proposed action does not constitute as a project under the California Environmental Quality Act ("CEQA"), based on Section 15061(b)(3) of the CEQA Guidelines, as it can be determined with certainty that it will have no impact on the environment.

FISCAL IMPACT

There is no impact to the General Fund. The funding for this agreement has been appropriated from the Administration Internal Service Fund. Additional funding may be required depending on

the duration of the City's recruitment for the Finance Director position. Sufficient fund balance is available in the Administration Internal Service Fund for this purpose.

Michael Bruckner
City Manager

Proposal – Assistance with the Development of Fiscal Policies

Mike,

Thanks for thinking of me for this important project. I appreciate this opportunity to submit a proposal to provide consultant services to assist in the development of various fiscal policies for the City of Sierra Madre.

The attached proposal offers the City my services as a seasoned municipal finance professional with over 30+ years of experience, culminating as the Administrative Services Director for the City of Arcadia.

My extensive background, which includes hands-on experience as an Accountant, provides a rare, bottom-up mastery to manage the integrated functions of Finance, Human Resources, and Information Technology. By applying this comprehensive insight, I have successfully implemented robust policies that strengthened internal controls, ensured sound financial management, and advanced prudent financial stewardship throughout the city.

The comprehensive insight gained from this 30-plus-year career in municipal finance provides direct assurance that all departmental work will be executed correctly and in accordance with generally accepted municipal accounting principles.

Please contact me at (626) 678-7823 or huecquach@gmail.com with any questions.

Sincerely,

WORK PERFORMED

I have reviewed the City of Sierra Madre's list of functions below and will properly perform or coordinate the work to be performed during the agreed-upon scheduled hours. While changing priorities may impact the timeline, all work will be ensured to be completed efficiently and to professional municipal accounting standards.

Consulting Services for the Development of Fiscal Policies:

The following list outlines the priority level for each policy, as determined by the City.

I. High Priority

1. Cash Management Policy:

- No formal policy currently exists.
- Essential to establish procedures covering:
 - Handling of cash, deposits, wire transfers, and credit card receipts.
 - Segregation of duties, reconciliation standards, and internal controls.

2. Credit Card Usage:

- The existing policy is outdated and incomplete.
- Must define:
 - Issuance, use, and approval authority.
 - Spending limits, prohibited uses, and accountability measures.
 - Documentation and audit requirements.

3. Budget Administration:

- Guidance is fragmented.
- Needs clear rules for:
 - Transfers, carryovers, and capital project funds.
 - Definition of a balanced budget.
 - Budget amendment and approval processes.

4. Budget Reserves:

- The current policy is limited in scope (e.g., Enterprise Funds have no reserve thresholds)
- Should provide comprehensive standards, including:
 - Target levels of reserves.
 - Allowable uses and replenishment procedures.
 - Distinction between emergencies and one-time uses.

WORK PERFORMED (Cont'd)

5. Fund Balance (GASB 54 Compliance):

- No compliant policy currently exists.
- Policy should:
 - Define all GASB 54 categories of fund balance (non-spendable, restricted, committed, assigned, and unassigned).
 - Establish procedures for committing and assigning balances.
 - Extending application to Enterprise Funds (e.g., Water and Sewer).

6. Timekeeping:

- Not formally documented
- Policy should cover:
 - Time entry standards and formats
 - Supervisory approvals and correction procedures
 - Record retention and audit protocols

II. Medium Priority

1. Capital Assets:

- No formal policy exists.
- Must establish standards for:
 - Capitalization thresholds.
 - Asset tracking and inventory.
 - Disposal and surplus procedures.

2. Travel & Expense Reimbursement:

- Current Policy dates to 2006.
- Need updates for:
 - IRS/GSA per diem and mileage rates.
 - Rideshare, lodging, and modern travel methods.
 - Applicability across all employees.
 - Reimbursement rules and documentation.

3. User Fees & Charges:

- Existing language is strong but needs refinement.
- Clarifications should address:
 - Cost recovery targets
 - Frequency of updates
 - CPI or other inflation-based adjustments.

WORK PERFORMED (Cont'd)

III. Low Priority

1. Accounting & Financial Reporting:

- Content is generally adequate.
- Should be relocated into a stand-alone policy for clarity and continuity.

2. Accounts Receivable & Collections:

- No formal policy currently exists
- Depending on receivable volume, it may be useful to formalize:
 - Write-off thresholds and approvals.
 - Collection procedures and escalation.

3. Long-Term Financial Planning:

- Currently, only brief references exist.
- A stand-alone policy would:
 - Institutionalize multi-year forecasting.
 - Apply to the General Fund and major funds.

CITY OF SIERRA MADRE

STAFF REPORT

LIBRARY SERVICES

DATE: November 18, 2025

TO: Honorable Mayor and City Council

FROM: Leila Regan, Library Services Director

SUBJECT: **First Amendment to the Professional Services Agreement with King Office Services Extending the Contract Term and Increasing the Not to Exceed Amount to \$146,045**

RECOMMENDATION

It is recommended that the City Council:

1. Approve the First Amendment to the Professional Services Agreement (PSA) with King Office Services extending the contract term through March 31, 2026 and increasing the total contract amount to \$146,045; and
2. Authorize and Direct the City Manager to execute the amendment and related documents on behalf of the City.

SUMMARY

As part of the Library Meaningful Improvement Project, King Office Services coordinated the relocation of the Library from 440 W. Sierra Madre Blvd. to its temporary site at 350 W. Sierra Madre Blvd., and secured long-term storage for approximately two-thirds of the Library's collection. The relocation and storage are funded through Fund 29007 – Targeted State Grants–Library, which provides dedicated state library grant funding for library renovation, enhancement, and temporary relocation activities.

The original PSA, approved for the term November 6, 2023 through November 6, 2025, was budgeted at \$134,660. To align the contract term with the grant's expiration date of March 31, 2026, and ensure continuity of storage and relocation services through project completion, the PSA requires amendment. The proposed extension adds \$11,385, bringing the total not-to-exceed contract amount to \$146,045 that is well within the \$200,000 grant allocation.

DISCUSSION & ANALYSIS

The Library's relocation and storage services were procured under the Targeted State Grant administered by the California State Library. This grant includes funding specifically designated for storage, relocation, and the eventual return of Library materials once the renovation is complete. King Office Services successfully completed the initial move in November 2023, transferring the Library's operations and securing long-term offsite storage for the collection.

Extending the contract through March 31, 2026, will ensure service continuity until project completion and the reopening of the renovated Library facility. The total amended amount of \$146,045 remains within the approved grant budget and preserves an adequate contingency to address any unforeseen needs. The existing Professional Services Agreement (PSA) with King Office Services must also be modified to reflect the extension and updated funding details.

STRATEGIC PLAN RELATIONSHIP

This action supports the City of Sierra Madre Strategic Plan 2025–2026, particularly under:

Goal 3 – Infrastructure & Growth Management, Objective 3.3 – Municipal Facilities Modernization & Resilience. By maintaining safe and accessible library operations during the renovation, this contract extension advances the City's commitment to modernize and enhance municipal facilities while ensuring fiscal responsibility and continuity of public services, consistent with the City's Mission and Vision Statements to provide exceptional public services that enhance quality of life and sustain community character.

ENVIRONMENTAL ANALYSIS

The proposed action does not constitute as a project under the California Environmental Quality Act ("CEQA"), based on Section 15061(b)(3) of the CEQA Guidelines, as it can be determined with certainty that it will have no impact on the environment.

FISCAL IMPACT

There is no impact to the General Fund as a result of the recommended action. The total amended contract amount of \$146,045 will be fully funded from Fund 29007 – Targeted State Grants–Library, which provides state Library funding specifically allocated for library facility improvement and relocation projects.

STAFF REPORT

FINANCE

DATE: November 18, 2025

TO: Honorable Mayor and City Council

FROM: Anthony Rainey, Director of Finance
By: Selena Yang, Senior Accountant

SUBJECT: Quarterly Treasurer's Report – Quarter Ending September 30, 2025

RECOMMENDATION

It is recommended that the City Council receive and file the Treasurer's Report for the cash and investment portfolio for quarter ended September 30, 2025.

SUMMARY

The City of Sierra Madre's Treasurer's Report provides a comprehensive accounting of all City-held cash and investments as of the end of each fiscal quarter, in accordance with California Government Code Section 53646.

This first-quarter report for Fiscal Year 2025/26 (covering July 1 through September 30, 2025) presents the City's financial position across all funds, summarizes investment performance, and affirms compliance with the City's Investment Policy and all applicable state laws governing the safety, liquidity, and yield of public funds.

As of September 30, 2025, the City's total cash and investment portfolio totaled \$44,107,285.67.

DISCUSSION & ANALYSIS

To provide clear context and transparency for readers, the Treasurer's Report is organized into three main sections. Each section focuses on a distinct aspect of the City's financial management and investment compliance.

1. Cash and Investment Portfolio Summary (Attachment A, Page 1)

This section presents a consolidated summary of the City's total cash and investment holdings as of September 30, 2025. It includes all bank accounts, investment pools, and securities held by the City. Key highlights:

- Total City Cash: \$3,505,152.79
- Total City Investments: \$40,602,132.88
- Total Portfolio: \$44,107,285.67

The City's investment portfolio is primarily composed of the Local Agency Investment Fund (LAIF), which is administered by the State of California Treasurer's Office. LAIF represents approximately 91.69% of the total portfolio, with a market value of \$37,370,125.55 and an average yield of 4.21% for the quarter. The City also holds a smaller investment portfolio through BMO Capital Markets, valued at \$3,309,977.44, consisting mainly of U.S. Treasury securities with laddered maturities to balance liquidity and return.

Operating cash is maintained in BMO demand deposit accounts to meet short-term obligations such as payroll, vendor payments, and emergency contingencies.

2. Cash Balances by Fund (Attachment B, Pages 2–3)

This section provides a detailed accounting of the City's cash activity within each fund, showing the beginning balance, receipts, disbursements, and ending balance for the quarter. Highlights include:

- **General Fund:** Began with \$13,740,489.53 and ended with \$11,861,602.29, reflecting regular operational disbursements and timing differences in revenue collection.
- **Water Fund:** Increased from \$11,500,544.03 to \$12,849,323.12, due to steady service charges and the deferral of some capital projects.
- **Sewer Fund:** Increased slightly from \$2,671,079.23 to \$2,683,447.69, maintaining operational stability.
- **Internal Service Funds:** Decreased primarily due to scheduled capital and technology improvements in City facilities and infrastructure.

This section serves as a transparent financial snapshot of each fund's liquidity position and supports the City's accounting under Governmental Accounting Standards Board (GASB) requirements.

3. Bank Reconciliation and Investment Statements (Attachment C, Pages 4–9)

This section contains the detailed documentation that verifies the balances reported in the Treasurer's Report. It includes:

- BMO Bank Reconciliation confirming that the City's general ledger balance of \$3,505,152.79 reconciles with the bank's statement after accounting for deposits in transit and outstanding checks.
- Local Agency Investment Fund (LAIF) statements for July through September 2025, confirming an ending balance of \$37,298,155.74.

- Market Valuation Reports for the City’s investments held through BMO Capital Markets, demonstrating that all assets are held in safekeeping and are in compliance with the City’s Statement of Investment Policy.

Category	June 30, 2025	Sept.30, 2025	Change	% of Total (Q1 FY 2025/26)
City Cash	\$3,979,982.61	\$3,505,152.79	-\$474,829.82	7.95%
City Investments	\$44,839,852.78	\$40,602,132.88	(\$4,237,719.90)	92.05%
Total Portfolio	\$48,819,835.39	\$44,107,285.67	-9.6%	100%

Liquidity and Yield

The City’s portfolio remains well positioned for both liquidity and safety, with average yields consistent with market rates for public funds. The Weighted Average Maturity (WAM) of the investment portfolio ensures ongoing liquidity and compliance with policy limits, enabling the City to meet all expenditure requirements over the next six months.

In accordance with California Government Code Section 53646, the City Treasurer hereby certifies that:

- The City of Sierra Madre has sufficient investment liquidity and anticipated revenues to meet expenditure requirements for at least the next six months.
- All investments comply with the City’s Statement of Investment Policy and all applicable state laws governing local agency investments.

This certification appears on the signed Treasurer’s Report attached to this staff report.

CITY OF SIERRA MADRE

STAFF REPORT

POLICE DEPARTMENT

DATE: November 18, 2025

TO: Honorable Mayor and City Council

FROM: Gustavo Barrientos, Chief of Police
By: Veronica Saucedo, Acting Captain

SUBJECT: Resolution No. 25-62 Accepting a \$30,000 Grant From State of California Department of Alcoholic Beverage Control and Amending the Fiscal Year 2025/26 Police Department Budget

RECOMMENDATION

It is recommended that the City Council:

1. Adopt Resolution No. 25-62 accepting \$30,000 in grant funds from the State of California Department of Alcoholic Beverage Control (ABC), Office of Traffic Safety (OTS) Grant Assistance Program;
2. Appropriate these funds to the Fiscal Year 2025/26 Police Department operating budget in Fund 35001 – DUI Enforcement Grant; and
3. Authorize and direct the City Manager, or their designee, to execute all related grant documents.

SUMMARY

Participation in the ABC OTS Grant Program strengthens the Sierra Madre Police Department's ability to prevent alcohol-related incidents and maintain public safety. Grant funding will cover personnel overtime, enforcement operations, and specialized training, ensuring a strategic, data-driven approach to alcohol compliance and education.

Key Grant Components

- **Targeted enforcement:** Conducting compliance checks, decoy operations, and saturation patrols to deter illegal alcohol sales and consumption.
- **Community collaboration:** Working with ABC agents, the City Attorney's Office, and the Code Enforcement Division to coordinate enforcement activities and ensure consistent application of state and local laws.

- **Public education:** Issuing press releases at the launch and completion of operations to inform residents and businesses about enforcement efforts, reinforcing voluntary compliance and community awareness.
- **Data and accountability:** Submitting required operational reports to ABC to document outcomes and ensure program transparency.

DISCUSSION & ANALYSIS

Participation in the ABC Office of Traffic Safety (OTS) Grant Program provides the Sierra Madre Police Department (SMPD) with targeted resources to enhance its alcohol-related enforcement and prevention efforts. Alcohol consumption continues to be a contributing factor in a variety of public safety challenges, including impaired driving, underage drinking, and disturbances related to over-service. By leveraging state grant funding, SMPD can expand its capacity to address these issues without impacting the City's General Fund.

The grant will fund personnel overtime, enforcement operations, and specialized training, allowing officers to conduct focused compliance checks, DUI saturation patrols, and community education initiatives. These activities are designed to reduce alcohol-related incidents through proactive, data-driven strategies. Additionally, participation in the program reinforces interagency coordination and aligns Sierra Madre's enforcement efforts with regional and state-level public safety priorities.

Beyond enforcement, the program supports a broader community education and prevention component, helping local businesses comply with alcohol laws and promoting responsible beverage service. This balanced approach—combining enforcement with outreach—strengthens public trust and enhances the Department's role in maintaining a safe, well-informed community.

In summary, participation in the ABC OTS Grant Program enhances operational readiness, provides critical funding support, and advances the Department's mission to safeguard public safety through evidence-based enforcement and community engagement.

STRATEGIC PLAN RELATIONSHIP

None.

ENVIRONMENTAL ANALYSIS

The proposed action does not constitute as a project under the California Environmental Quality Act ("CEQA"), based on Section 15061(b)(3) of the CEQA Guidelines, as it can be determined with certainty that it will have no impact on the environment.

FISCAL IMPACT

There is no impact to the General Fund as a result of the recommended action. The City of Sierra Madre will appropriate the total grant award of \$30,000 to Fund 35001 – DUI Enforcement Grant.

Reimbursement will be received from the State of California Department of Alcoholic Beverage Control upon submission of required documentation and performance reports.

CITY OF SIERRA MADRE

STAFF REPORT

HUMAN RESOURCES

DATE: November 18, 2025

TO: Honorable Mayor and City Council

FROM: Miguel Hernandez, Assistant City Manager
Aleks Giragosian, City Attorney

SUBJECT: **Resolution No. 25-68 Amending the Classification Plan and Salary Matrix for Executive Management**

RECOMMENDATION

It is recommended that the City Council adopt Resolution 25-68 (Attachment 1) amending the Classification Plan and Salary Matrix for Executive Management.

SUMMARY

The position of Finance Director was recently vacated. During this period, per the Sierra Madre Municipal Code, the City Manager can serve as Acting Finance Director. To ensure continuity of operations, the City has contracted with a Financial Consultant to provide the Finance Department with support services, funded through salary savings created by the vacancy.

The Finance Department is a full-service operation responsible for the City's general financial management, accounting, budgeting, payroll, purchasing, and related support for City programs and operations. The current vacancy provides an opportunity to evaluate the Finance Director position in light of the department's scope and service delivery needs.

City staff has completed:

- Job description update: Modernizes the Finance Director role to include developing, implementing, and administering the City's annual operating budget and capital improvement program; providing strategic financial analysis; and ensuring sound fiscal policies and internal controls.
- Salary study: A salary study to evaluate the City's competitiveness for comparable positions in similarly situated agencies.

The updated classification clarifies essential functions, required knowledge, skills, and abilities. It further defines leadership expectations for cross-functional teams and aligns reporting relationships. The accompanying market study provides data to inform any recommended compensation adjustments to support effective recruitment and retention.

DISCUSSION & ANALYSIS

City staff completed a comprehensive review of the Finance Director role to reflect current operational needs and responsible-charge requirements. A redlined job description and a clean version are provided as Attachments 2 and 3. As a best practice prompted by the vacancy, staff conducted a salary study of eleven peer agencies (see Attachment 4). The analysis indicates the City's current salary range for comparable finance leadership positions is approximately 11% below the average and 17% below the median.

Recently, the City Council approved a new salary range for the recruitment of a Public Works Director at Range 405: \$13,936 (Step 1) to \$17,404 (Step 10). It is recommended that the City Council add the Finance Director to this range. With this adjustment, the position would be at the average and only 3% below the median of the market, substantially improving competitiveness while remaining fiscally prudent. Additionally, aligning the position at this range promotes equity and parity within the Executive Management Group.

Range	Step 1	Step 10
Current	\$10,833	\$13,529
Proposed	\$13,936	\$17,404

Assuming that any incumbent placement would begin at Step 3 in the proposed range and is a "Classic CalPERS" candidate, based on the current FY 2025/26 fully-burdened budgeted salary, the net cost to the Administration Internal Services Fund is estimated to be \$34,997.

Fund	% Allocated	Budget	Proposed	Net
Administration Internal Service	100	\$209,806	\$244,803	\$34,997

Costs associated with the change in salary will be funded from the Administration Internal Services Fund's Fund Balance.

STRATEGIC PLAN RELATIONSHIP

The proposed action aligns with Strategic Plan Strategy OS 1.1 Improve Recruitment Potential and OS 1.3 to Enhance Staff Retention Efforts.

ENVIRONMENTAL ANALYSIS

The proposed action does not constitute as a project under the California Environmental Quality Act ("CEQA"), based on Section 15061(b)(3) of the CEQA Guidelines, as it can be determined with certainty that it will have no impact on the environment.

FISCAL IMPACT

There is no impact to the General Fund. The Finance Director position is funded in the Administration Internal Services Fund through cost allocation charges operating funds. The salary in the cost allocation plan will be fixed at the FY 2025/26 rate. Any additional costs created by the proposed salary change will be funded by the Administration Internal Services Fund's Fund Balance. The total estimated impact to the fund balance is estimated at \$34,997 annually. The current Fund Balance in the Administration Internal Services Fund is \$640,913.

CITY OF SIERRA MADRE

STAFF REPORT

INFORMATION TECHNOLOGY

DATE: November 18, 2025

TO: Honorable Mayor and City Council

FROM: Miguel Hernandez, Assistant City Manager
By: Oscar Millan, Information Technology Manager

SUBJECT: **Resolution No. 2025-70 Amending the Fiscal Year 2025/26 Budget Approving a Supplemental Budget Appropriation from the Public, Education, and Government (PEG) Fund Reserve and Approval of a Professional Services Agreement with Western Audio Visual & Security in an Amount Not to Exceed \$128,503.03 for Audio/Visual System Upgrades to City Council Chambers**

RECOMMENDATION

It is recommended that the City Council:

1. Adopt Resolution No. 2025-70 amending the Fiscal Year 2025-26 budget approving a supplemental budget appropriation from the Public, Education, and Government (PEG) Special Revenue Fund; and
2. Authorize and direct the City Manager to execute a Professional Services Agreement with Western Audio Visual and Security for the City Council Chambers AV Upgrade in an amount not to exceed \$128,503.03.

SUMMARY

Senate Bill (SB) 707, signed into law by Governor Gavin Newsom on October 3, 2025, modernizes the Brown Act by requiring cities to provide teleconference access to public meetings beginning July 1, 2026, with reliable two-way audio and visual, accessibility for individuals with disabilities, and opportunities for remote public participation. The proposed AV infrastructure upgrades directly support these requirements. By approving staff's recommendation now, the City would be compliant six (6) months before the July 1, 2026 deadline, positioning the City as proactively ahead of the mandate, allowing ample time for testing, training, and adjustments, and ensuring uninterrupted, accessible participation for the public.

DISCUSSION & ANALYSIS

The existing audio-visual system in the City Council Chambers has reached end-of-life and does not meet the needs of modern public meetings. The system has not seen a meaningful upgrade in nearly a decade, with some components of the current solution being over fifteen years old.

The system has experienced recurring issues with sound clarity, video projection and production, and streaming capabilities. Currently, staff and members of the public cannot reliably use remote teleconferencing options to participate in public meetings. To improve the quality and reliability of public meetings, both for in-person attendees and remote viewers, Information Technology solicited an updated proposal for a comprehensive AV system replacement that includes the required hardware, as well as the design and installation of the equipment for the City Council Chambers.

Per the City's procurement policy for computer technology and hardware, Information Technology informally solicited proposals for qualified vendors based on a design-bid process as opposed to an RFP process. This allowed the City to solicit proposals directly from qualified integrators with both a history of successfully completing City Council Chamber's upgrades in government facilities as well as knowledge of Senate Bill 707. The design-bid approach proves significantly beneficial for technology driven projects that require advanced engineering, installation, and design. This process also ensures that proposals meet the unique needs of the City. As part of the design-bid process, the City received four proposals:

VENDOR	LOCATION	AMOUNT
Community Media of the Foothills	Monrovia, CA	\$97,635.00
Matrix Audio Visual Designs	Burbank, CA	\$119,402.57
Western Audio/Visual & Security	Fullerton, CA	\$128,503.03
Studio Spectrum	Burbank, CA	\$121,858.44

Information Technology has determined that the proposal from Western Audio Visual & Security best meets the City's needs. Western Audio Visual & Security (WAVS) is a firm specializing in municipal and corporate AV design and installation. WAVS has over 30 years of experience and has successfully completed similar installations throughout Southern California, including the following neighboring cities: San Marino, Walnut, San Dimas, Covina, Duarte, Pomona, Irwindale, West Covina, Azusa, La Puente, El Monte, and Monterey Park.

While not the lowest bidder, we found that their extensive experience, strong reference checks, proven quality of work, and direct integration with our newly selected Agenda Management platform solidified their proposal as the best long-term solution for the City.

City Council Chambers Upgrade:

Advanced Displays and Integration of Existing Displays: The proposal includes modernizing from a ceiling mounted projector to a new 110" LG UHD commercial display. The proposal also includes integration of the four existing displays in the chambers. Advanced displays are a critical requirement for displaying highly detailed maps, graphs, and information to the public as well as individual control of each screen independently and with touch sensitive controls.

Advanced Audio System: The proposal includes replacing all of the microphones at the dais. This ensures that the audience, both in public and remote, can reliably hear the meeting and that high-fidelity audio is captured for recordings. The proposal also includes the installation of an assisted listening system for ADA Compliance, as mandated by SB 707.

Video Conferencing & Streaming: The existing cameras in the room will be replaced with 4K capable cameras that can be utilized for the live broadcast as well as for a video conference (Zoom, Teams, etc.).

Control & Integration: A new Crestron touch panel for easy meeting room control for City Clerk and support staff.

Wireless Presentation System: The proposal includes the installation of a wireless presentation system that allows anyone to connect their laptop, phone, or tablet to present from their device in the City Council Chambers.

The project scope also includes programming, cabling, testing, commissioning, and staff training. Deliverables such as as-built drawings, network schematics, and user manuals are also included. Upgrades to the Council Chambers are tentatively scheduled for the Council's holiday dark period, with an estimated completion of January 5th, 2026.

STRATEGIC PLAN RELATIONSHIP

1. Strategic Goal: Organization Stability – Goal 3: Invest in innovation and technology.
2. Strategic Goal: Community Enrichment – Goal 2: Improve Communication and Collaboration.
3. Strategic Goal: Community Enrichment – Goal 3: Provide Education on Critical Civic Issues

ENVIRONMENTAL ANALYSIS

The proposed action does not constitute a project under the California Environmental Quality Act ("CEQA"), based on Section 15061(b)(3) of the CEQA Guidelines, as it can be determined with certainty that it will have no impact on the environment.

FISCAL IMPACT

There is no impact to the General Fund. This project will be funded entirely through Public, Educational, and Governmental (PEG) Access funds, which are restricted special revenues collected from cable franchise fees. The funds are designated by federal and state law for the purpose of supporting and improving community broadcasting, and related technology infrastructure. While there is no fiscal impact to the General Fund, this action will result in a PEG Fund expenditure of \$128,503.03. Sufficient funding PEG funding is available for this project.

Western Audio Visual & Security is a design-build audio visual and security firm specializing in the design, engineering, installation, and service of corporate, civic and education audio visual and security systems. While we are primarily a Southern California based company, our coverage extends north to the central California region and east to Nevada and Arizona.

Our team is made up of highly recognized industry veterans with over 30 years of experience integrating solutions within executive boardrooms, conference rooms, auditoriums, training rooms, video conferencing suites, command/control centers and corporate headquarters throughout Southern California and beyond.

Starting with AV budgeting exercises and following through to post installation support, the Western Audio Visual & Security team is well equipped to take any project from it's design stage to final installation.

Scope of Work

Audio-Visual Scope of Work (SOW)

1. Project Overview

This project entails the integration of a comprehensive AV system into the City of Sierra Madre's Council Chamber at City Hall. The system includes high-resolution video distribution, conferencing capabilities, sound reinforcement, remote management, and control using a robust Crestron-based control platform. Audio pickup and delivery will be managed using a Shure/Clock Audio microphone system with Biamp DSP processing and amplification. The design supports both in-room presentation and streaming/broadcast of events.

2. System Components and Functionality

2.1 Display System

- **1 × LG Commercial 110UM5K-B**
 - Large-format 110" UHD commercial display for primary visual presentations.
 - Mounted on a **Chief KITXWXSM1U** wall mount integrated into a **Western AV Custom Support Structure**.
 - Display is configured as the main room screen.
- **4 × Owner Furnished Existing Displays**
 - These displays will be integrated into the AV system via networked AV endpoints.
 - Assumed to be mounted and powered as existing infrastructure.

2.2 Video Distribution System (Crestron DM-NVX Series)

- **6 × DM-NVX-D200** (AV Decoders)
- **3 × DM-NVX-E20** (AV Encoders)

Function:

Provides 4K video-over-IP distribution via a 1Gb network infrastructure using the **NETGEAR GSM4248PX** managed AV switch. Enables video routing to/from multiple sources and displays across the network.

- Encoders will connect to PC sources and Crestron Air Media Wireless Presentation Gateway.
- Decoders will feed displays including the LG 110" and existing OFE displays.

2.3 Control System (Crestron)

- **1 × Crestron CP4N**: Central processor for AV control logic.
- **1 × Crestron TS-1070-B-S**: 10" Touchpanel for system control.

Function:

Provides intuitive, centralized control of AV routing, volume control, source selection, and device power. Touchpanels offer user-friendly interfaces for room users.

2.4 Audio System

Shure MXW Wireless Microphones

- **1 × MXWAPX4-Z10**: 4-channel access point transceiver.
- **1 × MXWNDX4G, 1 × MXWNDX4**: Networked charging stations.
